ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian,

## DOMINION ORDERS IN COUNCIL.

[1982]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Tuesday, the 10th day of April, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

**T**HE Committee of the Privy Council have had before them a report, dated 26th March, 1917, from the Minister of the Interior, submitting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe-line for a water supply at Lytton, B.C., through part of the S.E. Quarter of Section 1, Township 15, Range 27, west of the Sixth Meridian; part of the South-west Quarter of Section 6, Township 15, Range 26, west of the Sixth Meridian, and part of the N.W. Quarter of Section 36, Township 14, Range 27, west of the Sixth Meridian; containing a total area of 1.65 acres, as shown on a plan attached.

The Minister states that the right-of-way throughout part of its length follows the north-easterly boundary of Lytton Indian Reserve No. 17, and at three points it crosses into and runs through the land included in the Reserve. The Department of Indian Affairs has undertaken to grant the Company a free right-of-way through this land.

The Minister further states that the agent of Dominion lands at Kamloops reported on the 21st June, 1916, that he is aware of no particular reason for refusing to entertain the application of the company, and he recommended that the area applied for be sold at the rate of \$10 per acre.

The Minister observes that the land applied for is available and has been surveyed. The company has filed with the Department of the Interior a certified copy of a grant of water rights at this point in its favour.

The Minister recommends that the Canadian Pacific Railway Company be allowed to purchase the above-mentioned lands at \$10 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,

my3 Clerk of the Privy Council.

[736]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of March, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

**W**HEREAS, owing to enlistment for overseas service, there is now throughout Canada a great scarcity of farm labourers, which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard; and

Whereas it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery;

Therefore the Governor-General in Council, in view of the foregoing and under and by virtue of the authority conferred upon him by the "War Measures Act, 1914," is pleased to order that the regulations for the survey, administration, disposal, and management of Dominion lands within the 40-mile Railway Belt of the Province of British Columbia, as established by Order in Council of the 17th day of September, 1889, and amendments thereto, shall be and the same are hereby further amended as follows:—

Notwithstanding anything contained in the said regulations or the amendments thereto, during the remainder of the year 1917, the holders of homestead entries who are employed as farm labourers within the Dominion of Canada may be allowed the period of such employment as a like period of residence in connection with their respective entries, subject to the following conditions:—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the district in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence, satisfactory to the Minister of the Interior, of time actually spent on farm work.

[572]

5.
